 **MEMBER**

Platinum Gloss
ArtFibre³⁰⁰
300gsm

100% alpha-cellulose made from pure pulp. Photospeed's ArtFibre 300 has a density of 1.40g/cm³ and a fine grain texture. Capable of producing a wide tonal range and deep blacks. It has excellent archival qualities.

■ 25

DIGITAL
Fotospeed

"Highlights are smooth, mid tones crisply defined and shadows rich. I like monochromes to have decent contrast with solid blacks and some tonal snap in the greys: Art Fibre 300 certainly delivered."

The East Anglian Federation Portfolio

The 2018 EAF portfolio will be available on CD. The disc gives you a choice of viewing (a) the entire exhibition without commentary, and/or (b) just the entries chosen to represent the EAF in the annual inter-federation competition organised by the Photographic Alliance of Great Britain (PAGB) accompanied by a commentary given by Colin Southgate FRPS DPAGB.

There is no circulation list for this new portfolio. The discs will be issued by the end of August to all clubs that have paid the £7.50 charge. The disc is then for the club to keep and use as they wish.

If you would like your club to receive the portfolio, please use the order form sent to your Club Secretary, download a copy from the EAF website, email PortfolioSecretary@eaf.org.uk or contact Naomi Saul, 46 Apsley End Road, Shillington, Hitchin SG5 3LX Tel: 01462 711772.

Go for Gold

Take your prints to new levels with rich blacks, creamy whites and the beautifully smooth finish of the award-winning FB Gold Silk 315.
