

EAF EXHIBITION - GDPR SIGNATURES FOR ENTRIES

The uncertainties surrounding the current COVID variants may very well affect Clubs meeting in person in the New Year. I appreciate that when the time comes for Exhibition entries to be handed in to Club representatives, you may be concerned about how to sign the Entry Fee Form and conform to the GDPR requirements, whilst remaining socially distanced if necessary.

In order to help resolve that problem and be ahead of any questions at the time, I am happy to confirm that a personal email addressed by the entrant to the Club collector will be acceptable as long as a printed copy is attached to the form in place of a signature. For PDI's your Club Collector will no doubt have to print the email themselves, but for print entries a hard copy can be enclosed with the prints.

The wording that must be included in the email is as follows:-

"I hereby signify my specific consent for the EAF to hold and use personal data in connection with the Exhibition, the PAGB entry and to display images on the EAF Website and Portfolio"
